

EXHIBITIONS

Art Works Downtown is a non-profit art center with an award-winning gallery in the heart of downtown San Rafael. We host six to eight exhibitions each year that feature San Francisco Bay Area artists. Our community gallery helps to increase the public's understanding and appreciation of art.

Art Works Downtown welcomes show proposals from Bay Area artists to be submitted to our Show Committee for consideration in our gallery.

Exhibitions are juried, invitational, or selected from the proposals.

HOW TO APPLY
