Visitors to Art Walk can enjoy a variety of art-related activities, including the exhibitions and receptions at various galleries and studios. The map provides a visual guide to the locations of these events, with each location marked by a code indicating the type of event. The map also includes a legend explaining the symbols used to represent these activities. Visitors are encouraged to explore the different locations and engage with the art on display. The Art Walk organizers aim to create a vibrant and diverse art scene, with a focus on local artists and their works.
